什么是AEIS? What is AEIS?

AEIS (Admissions Exercise for International Students, 国际学生入学考试) 是新加坡教育部 (MOE) 为国际学生进入政府主流小学和中学而设立的统一入学考试。通过AEIS是进入新加坡政府学校接受主流教育的核心途径。

AEIS (Admissions Exercise for International Students) is the official MOE entrance exam that allows international students aged 7–14 to enter Singapore government primary and secondary schools. Passing AEIS is the primary pathway into the mainstream Singapore education system.

O-Level / SEC 升学路径详解

O-Level / SEC — Direct Secondary School Pathway

什么是O-Level? What is O-Level / SEC?

O-Level (普通教育高级证书) 是新加坡中学阶段的核心毕业考试, 由剑桥评估与新加坡考试及评鉴局 (SEAB) 联合颁发。2027年起将正式更名为新加坡-剑桥教育证书 (SEC)。对于15岁以上的国际学生, 可直接报读政府中学, 与本地生同步参加O-Level考试, 无需先参加AEIS。

O-Level (Singapore-Cambridge General Certificate of Education, Ordinary Level) is the key Secondary school exit exam, jointly awarded by Cambridge Assessment and SEAB. From 2027 it will be renamed SEC. Students aged 15+ with equivalent overseas schooling can enrol directly in a government secondary school and sit O-Levels alongside locals — no AEIS required.
